Goblins, and Ghosts and Witches Oh My!

The Halloween dance was a great success! Prizes were awarded for prettiest, ugliest, scariest, funniest and most outrageous. Each winner was awarded a gift certificate from student council to be redeemed at the Selawik Native Store. Additional gift certificates were given by the IRA for best dressed boy and best dressed girl. Student Council would like to extend their thanks to all of the chaperones who helped make the dance a very spooky experience! A special thank you also goes out to the Senior Class sponsors who opened the student store during the dance.

We had so much fun decorating and planning this event it was decided we would host a Winter Formal in December. Everyone is invited to the Winter Formal dance and for the crowing of the King and Queen on Saturday, December 10th. 9-11:00 pm. We hope to see you there!

National Parks Service

During the third week of October, Elissa Denton from the National Parks Service visited the classrooms in Selawik. She presented information to students ranging from Survival to the Gold Rush. She captured the attention of students of all ages and they were filled with questions.

Elissa shared some of her job duties and responsibilities and did a great job using props and other media resources to teach students about the importance of caring for the environment and being safe.
