The 5 W's

Wednesday, September 7, 2005 the first Student Council meeting was held. Sixteen people attended the meeting and discussed information about setting up Student Council for the 2005-06 school year.

The 5 W's are the questions students brainstormed to determine the answers for Why?, Who?, What?, When?, and Where?. A needs assessment was also a part of the steps that were used to guide the process. Please see Page 2 inside this issue for our results of the 5 W's and more.
